

Blind Man Mask

Materials required

- Mask pattern
- Tan colored card stock
- Light weight muslin (or similar fabric)
- Paint stir stick or large popsicle stick
- Metal paper fastener

Supplies

- Scissors
- Glue
- Pen
- Markers or crayons

Preparation

1. Print mark patterns onto card stock.
2. Cut fabric into 2x24 inch strip.
3. Cut out Mask Pattern 1. Cut around eyes and mouth as well.
4. Cut out Mask Pattern 2
5. Using the tip of a pen, poke a hole in the dot in the center of the masks.
6. Color the eyes, mouth and hair on each mask.
7. Position the circle face behind the man's face with the facial features. Insert a metal paper fastener through the hole in both masks and spread the ends of the fastener to secure the masks together (Figure 1).
8. Glue on a strip of fabric to make a head covering. You can also glue strips of yarn, for hair, to the masks (Figure 2).
9. Use a marker to write "1 John 3:14-144 on the stick. Glue the stick to the back side of the mask's neck so the verse is facing the front (Figure 3)
10. When the circle face behind the mask is rotated, the blind man can go from closed eye to open eyes.
