3. Cut out the center of each plastic plate to make a ring.
4. Place floating objects in pool.
5. Use masking tape to make a line about 10 feet from the pool.

### Game

2. Have children line up behind masking tape.
3. Hand each child a ring
4. Each child tosses their ring to the pool, trying to ring an object.
5. If she “rings” an object, the child retrieves the object and underlines the same words on the verse.
6. The object is put back in the pool. If a child “rings” an object that has words that has already been underlines, it is returned to the pool.
