

Souvenir Book

Materials required

- Decorative materials (markers, glitter glue, gel pens, stickers, sequins)
- 4x6 inch vinyl envelope
- Colored card stock

Supplies

- Scissors
- Ruler
- Pencil

Instructions

1. Cut cardstock in the following sizes of same or different colors.
 - 4.5 x 11 inches
 - 4.5 x 6.6 inches
 - 4.5 x 7.5 inches
 - 4.5 x 2 inches
2. Print out *Verse Shape Patterns*.
3. Make small marks 1 inch apart on the long side of the biggest piece of card stock (4.1 x 11 inches). Place the edge of the ruler along each mark and bend the cardstock upward along the rule (Figure 1). Once you've scored your folds, go back and make accordion fold (folding back and forth) to form the spine of your book (Figure 2).
4. Take the longer of the remaining pieces (4.5 x 7.5 inches) and make a mark 1 inch from one of the short edges. Fold the edge over a ruler on the mark (Figure 3).
5. Glue the fold inside one edge of the spine. Glue the next biggest rectangle to the opposite end of the spine. Make sure you have five folds pointing into the book (Figure 4).
6. Fold your book closed. Wrap the short piece of cardstock over the spine on the outside of book. Glue it in place (Figure 5).
7. Glue a vinyl envelope to each of the five tabs on the inside of your book (Figure 6).
8. Decorate the book cover with markers, glitter glue, gel pens, paint pens, stickers, sequins.

Tips:

- Write short messages on index card halves and slide cards into the envelopes inside the books.
- Write the five *Daily Choices* or daily bible verses on the envelopes in the book.

Conversation

We made Souvenir Books to help us remember all the fun things we are discovering at SonWorld Adventure Park. God gave us a special book too – the Bible. The Bible helps us discover God's truths and learn about Jesus.
